RE: Request Procedural Change for Class E Household Goods Movers' Applications
Docket No. 2020-246-A

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") is in receipt of the request in the referenced matter. ORS does not object to the request provided that an Applicant for a Class E (Household Goods) Certificate of Public Convenience and Necessity proves to the Commission that it meets the qualifications for the issuance of a CPCN, provides ORS with proof of all necessary insurance, pays any necessary fees, meets all requirements regarding bills of lading, final tariffs, any other applicable statutes, regulations and any conditions of the Commission Directive prior to operating in South Carolina.

Furthermore, it is our understanding that should an Applicant for a Class E (Household Goods) CPCN be allowed to operate pursuant to a Commission Directive, and prior to a Commission final Order, the Applicant is considered a regulated utility and subject to the jurisdiction of the Public Service Commission of South Carolina ("Commission").

Thank you for your consideration in this matter.

Sincerely,

s/ C. Lessie Hammonds
